AGM 2024

Dear Member,

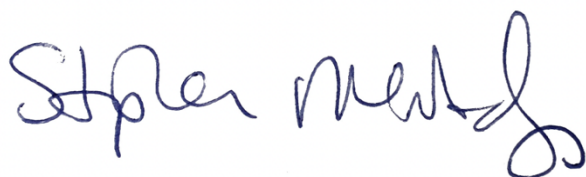

Please find enclosed your invitation to the Swedenborg Society's 214th Annual General Meeting on 14 November 2024 at 6.00 pm (GMT).

This year we will be organizing a hybrid event, with options to attend virtually via ZOOM and also in person at Swedenborg House. For those attending online, we will aim to make the process as simple as possible, and we will soon post instructions on our website to help facilitate this. Alternatively, if you RSVP via the email below, instructions will be sent to you directly and we will do everything to make sure you are able to attend at the click of a button.

The AGM will offer updates on our current activities and on our Annual Report for 2023 (which is now available to view and download from our website). To book a place, please email admin@swedenborg.org.uk or visit our website at:

www.swedenborg.org.uk

Until then, from myself, the staff, the trustees and everyone at Swedenborg House, we look forward to seeing you in November.

Executive Director

DONATIONS APPEAL

Established in 1810, the Swedenborg Society is the longest serving Swedenborgian organization in the world. Via our publishing and translation work, our scholarships and grants, and also via our gallery, events, library and archive programmes, our work has reached and transformed the lives of millions of individuals worldwide. None of this would have been possible without the financial support of our members.

We are now looking to plan and invest in the future. The core work of the Society continues to be the printing of high-quality translations of Swedenborg's work but more recently we have established new initiatives including an educational scholarship for doctoral research, academic partnerships with universities providing student internships, applications for National Archive and Museum Accreditation and a gallery. Wherever possible we are looking to invest in a new generation of students and experts.

If you would like to help us with this work, we would be delighted to receive donations. Payments can be made directly on our website at

www.swedenborg.org.uk/donate

Alternatively, our Administrator at Swedenborg House would be delighted to hear from you at admin@swedenborg.org.uk. Any contribution you can give will make a difference.

Please detach and return by post to The Swedenborg Society, 20-21 Bloomsbury Way, London WC1A 2TH, or email admin@swedenborg.org.uk
